

## **Berlin Batting Cages**

It's official our 2020 Season is set to begin on Wednesday, May 20!  
Come join us and have some fun at one of our FOUR activities!

In order to keep us all safe, here a few (of the many) health and safety procedures we have put in place:

- \* During business hours we will be sanitizing ALL baseball bats, helmets, golf putters, golf balls, bumper boats, and go karts before they are used by the next customer.
- \* We have laid out spots (6ft apart) in our activity lines to enforce social distancing!
- \* You will also find hand sanitizer available for your use throughout our facility.

We have missed you all so much during this time and we are so excited to have you back. If you have any questions please feel free to message us on Facebook, leave a comment below or give us a call at 860-828-7518.

See you soon!
